

Beasts of Ancient Deities: A Journey Through Egyptian Mythology offers a unique opportunity to explore the city of Memphis, Tennessee's powerhouse namesake: Memphis, Egypt. This captivating tour takes visitors on an amazing journey through Ancient Egyptian culture. Explore the mythology that shaped their world, how it was influenced by the animals we know today, and truths regarding the behavior of these animals during an intimate after-hours tour of the Memphis Zoo.

Twilight Tours offer an after-hours experience at the Zoo! Bring your family, friends, significant other, or join the fun on your own as we discover what goes on once the zoo gates close for the evening. Guests will also enjoy an animal visitor and a light snack before their Ed-venture begins. Make sure you are prepared to travel around the Zoo during this 2-hour event and uncover what other animals are moving around at dusk!
